

## *Thank you Savage Chamber Members!*

This year's events were very fun, very successful and we hope were beneficial to you in terms of networking and getting to know other businesses in the Chamber. We are truly lucky to have such a wonderful selection of businesses in our organization. These events would not be successful without participation and support from our Members. All the generous donations that we receive throughout the year, we can't thank you enough. All of our many volunteers that have stepped in – helped out whenever it was needed, again thank you – we don't want to name names, because we're sure to forget some, but you know who you are and please know you are appreciated!!! We are proud to say that out of our 236 members, we have had a wonderful participation rate in some form; whether through serving on a committee, sponsoring an event, or through a donation of some sort, the entire Savage Chamber of Commerce thanks you!!
